MESSAGE FROM THE DIRECTOR

Sandeep Sir's
Doon Defence Academy™ ESTD.2005

Mr. Sandeep Gupta

Director, DDA

It gives me immense pride and pleasure to write as the Director of the prestigious **Sandeep Sir's Doon Defence Academy – Dehradun**. I salute the Indian Armed Forces and the management team of yesteryears for their dedicated efforts in grooming this institution to its premium status of today.

The focal point of any educational institute is its students. The responsibility of "Training" which encompasses, educational, moral, cultural and behavioural development solely rests on the staff of the institution. Thus, we, who have chosen to be a part of the executive, have to synergize our efforts towards achieving the goal.

In the contemporary era, while academic excellence is of foremost importance, the development of soft skills and one's personality has gained equal status. The youngsters today, are facing multiple challenges. They have to be ahead of their peers so as to enable themselves to find their niche. The task of today's Teacher is thus daunting.

As an Armed Forces and Merchant Navy preparatory school, we have to maintain the spirit of discipline, determination and dedication among the

students as it is the demand of these services.

We thus have no option but to raise the bar of students so that they can meet the academic as well as competitive challenges.

The beauty of an academic institute lies in the efforts that it puts in to bring out the best of it. Also, it is a field where everything is transitory and one can never rest on one's achievements. I am sanguine that "**TEAM DDA**" of which the cadets are an integral part, is well equipped to achieve the goals, unmindful of challenges that may come our way. On this path, I invite all our parents and well-wishers to join us.

"Power is knowledge and knowledge is power"

As an institution which strives to inculcate the spirit of 'Country First', we aim to provide our nation with a generation of responsible, empowered and intellectual citizens who will play a significant role in its betterment.

Jai Hind !

DEVELOPMENT OF OFFICER LIKE QUALITIES (OLQs)

Armed Forces are to perform the role of a saviour and hence compromising with the quality of its men would be ruinous. And it is for this purpose that the Armed Forces have adopted a very peculiar and scientific procedure for selecting men in its Officer Cadre. They realized that a man is not just the outcome of his heredity but also of his environment which work in close co-ordination and result into a unique behavioural pattern in him. The Armed Forces have realized the fact that success of any person depends upon his behavioural qualities and hence thorough scanning of qualities must be done before employing the candidate.

These qualities are referred to as the Officer Like Qualities or in short the OLQs. As of now a list of 15 OLQs has been designed of which a few of the qualities are trainable and the rest, non-trainable. SSB is not about one's academic achievements it is all about how one projects oneself. The intelligence associated only with academic ability and academic achievement is of no use at all in the practical situations. Emotional Intelligence, Social Intelligence and Effective Intelligence are things that come into play there. Emotional Intelligence helps a person to respond effectively in unfavourable situations like difficulties coming one's way, failures in one's life and rejections and disapproval faced by one.

Social Intelligence makes a person interact with others according to the norms and situational requirements. A wrong decision may lead to chaos and discord. Hence, Social Intelligence helps in Social Adjustment. Effective Intelligence comes into play while facing practical situations of varying complexity. In practical life, solutions are either created or improvised. An intelligent person takes a total view of the situation and acts accordingly. It is a myth that the Armed Force do not need an intelligent lot. But the difference lies in their definition of Intelligence.

The 15 OLQs judged while selecting an officer in the Indian Armed Forces are as follows :

- Effective Intelligence
- Reasoning Ability
- Organizing Ability
- Power of Expression
- Social Adaptability
- Co-operation
- Sense of Responsibility
- Initiative
- Self Confidence
- Speed of Decision
- Ability to Influence the Group
- Liveliness
- Determination
- Courage
- Stamina

Sandeep Sir's
Doon Defence Academy™
ESTD. 2008

The spirit of adventure, born out of a daring resolve to reach the edge of possibility, helps us face new challenges, seize new opportunities, test resources against the unknown and discover ourselves in the process.

Cadets of DDA are exposed to numerous adventurous activities which include Mountaineering, Trekking, Rock Climbing, Whitewater Rafting, Swimming and Camp fire.

An exposure to the varied terrains and working conditions of the Indian Armed Forces, visit to various establishments helps one to know one's true potential and breaks the barriers of limitations.

HOBBIES

DOON DEFENCE ACADEMY - SSB GROUND

The hobby clubs strongly adhere to what Plato reminded us long ago, "Make Colour and Light, Harmony and Rhythm a part of Education, and they will make their way into the secret place of the soul."

Hobby clubs at DDA ensure all-round personality development under proactive and disciplined leadership.

Cadets pursue their favourite Hobbies on Saturdays. Those with a flair for writing subscribe to Journalism Club while cadets with an artistic bent of mind choose 'Art and Craft' Club. Cadets also join the Nature Club to explore the rich and diverse flora and fauna of the campus and that of the Doon Valley through carefully orchestrated walks and visits.

The photography enthusiasts understand the nuances of f-stops, exposure, developing and composure in the photography hobby. The Dance, Drama and Singing club caters for the ones who show an inclination towards performing arts.

The cadets are also given a rudimentary exposure to IT and Cyber through a Computer club. DDA is pleased to mention its Quizzing club that has placed many a budding quizzer on the top of the club as our crowning glory for its has quizzers winning at State and National levels.

SERVICE TRAINING

In DDA, the mission of Services Training is to provide basic knowledge to CADETS about the Armed Forces and Merchant Navy.

Services Training at DDA gives to the youngsters motivation, and a complete picture of what Indian Armed Forces & Merchant Navy are all about. It not only helps them to make up their minds as to why and how to join but also gives them immense confidence, leadership qualities, a desire of self-improvement and the drive to excel in every sphere. It incorporates a culture of Jointmanship, while emphasizing on overall personality development. Two and a half year at DDA will instill bonding and feeling of oneness, a sense of self-discipline, honor, integrity, camaraderie and éspirit-de corps. It will develop in the cadets a sense of intense belongingness for their alma-mater.

In a nut shell – छात्रों को DDA में अपने पाठ्यक्रम के दौरान यह स्पष्ट हो जाएगा कि उन्हें Indian Armed Forces अथवा Merchant Navy में प्रवेश कैसे लेना है और वहाँ उनसे क्या-क्या अपेक्षाएँ की जाएँगी।
